Dear colleagues,

In this Better Aid Update, we are sharing some of the CSF's recent and upcoming initiatives aiming to help aid workers understand the challenging context in Sudan – from [a newly launched blog](#) by Gerrit Kurtz (SWP) about navigating power shifts in Sudan and their implications for those in the aid response, to information about our upcoming trainings.

We hope you find this update useful and encourage you to share it with any colleagues who might benefit from the information included. Please do not hesitate to reach out to us at info@csf-sudan.org if you have any questions or you would like to get in touch.

Blogs

The below blogs are part of the blog series '[Humanitarian access, local action and conflict sensitivity dilemmas in Sudan since April 2023](#)' which showcases different perspectives important for a more conflict sensitive aid response in Sudan.
