CSF Better Aid Update No. 2

Good afternoon,

In this second edition of our Better Aid newsletter we are sharing a round up of blogs and events that are useful for aid actors in Sudan to better understand the complex contexts in which they are working and improve the impacts of aid.

If you have been forwarded this email, please [sign up here](#) if you would like to receive these CSF Better Aid Updates going forward, and to learn about upcoming events, roundtables and trainings that are open to aid actors in Sudan.

[A window of opportunity: Localising aid in times of conflict](#)

Audrey Bottjen

Localisation is a complicated and controversial term, which could have huge implications for Sudan's aid sector and conflict dynamics. While localisation offers huge opportunities for aid to be delivered in a more contextually relevant and conflict sensitive way, exploiting these opportunities will come with its own challenges. In this article, Audrey Bottjen looks at the history of localisation in Sudan and considers its future.
