## CSF Better Aid Update No. 3

Good afternoon,

Welcome to our third Better Aid newsletter. Inside, we share a round up of our activities, over the last six months, showing how we have supported aid actors in Sudan to better understand the contexts they work in and improve the impacts of the aid they deliver.

If you have been forwarded this email, please [sign up here](#) if you would like to receive these CSF Better Aid Updates going forward, and to learn about upcoming events, roundtables and trainings that are open to aid actors in Sudan.

#### **Conflict sensitivity is even more important in times of crisis: two-part blog**

*CSF Team, December 2021*

This two-part blog series by the CSF explains why conflict sensitivity is especially crucial in times of crisis and how aid practitioners might understand and respond to conflict effectively even in the most volatile situations. This is something the aid sector has had to do many times and over many years in the Sudans, and there are lessons from the past that we can – and should – learn. Read the blog [here](#).
